ESSENTIAL DOCUMENTATION:

- A passport valid for at least 6 months.
- A valid visa that is obtainable at the border.
- An ID book and drivers licence.
- Your vehicles original registration documents (If the vehicle is rented or borrowed a letter of authorisation from the rental company or legal owner is required).
- A SA vehicle custom clearance form (obtainable from the RSA border).
- A Mozambican immigration form (obtainable from the border and which must be presented again on departure).
- A Mozambican temporary import permit for all vehicles including boat and trailer (obtainable at the border).
- A Mozambican 3rd party insurance (obtainable at border).
- A Mozambican permit to launch a boat (obtainable from the Marine Office at the closest town to the resort).
- The border at Kosi Bay is open between 08h00 and 17h00. (Safe parking and border transfers are available to resorts in the area).
- The border at Komatiport operates between 08h00 and 19h00.
- Customs are not very strict on the importation of foodstuffs (\$200 per person) but custom duties on alcohol are 115%.
- NO FIRE ARMS ARE ALLOWED TO BE BROUGHT INTO MOZAMBIQUE.

THE LAW:

- Always wear safety belts.
- Stick to the speed limits (spot fines are issued).
- Driving on beaches is prohibited but at certain resorts vehicles are allowed onto the beach.
- If you are fined for some reason be polite, pay your fine and demand a receipt. If innocent - never pay bribes.
- Never part with your passport.

YOUR VEHICLE:

- Your vehicle must be equipped with 2 emergency triangles and if towing one triangle must be displayed on the front bumper of your vehicle.
- Avoid travelling at night.
- Deflate your tyres on sandy roads - especially when towing.

GENERAL:

- Malaria is prevalent in Mozambique, please take the necessary precautions.
- Medical facilities are scarce. Medical evacuation insurance is recommended.
- The main roads and coastal areas have been cleared of landmines, but they could still pose a threat to those wandering off the beaten track.
- Water is safe to drink at most of the resorts as they have their own boreholes, but it is advisable to check with the management first as cholera still exists in some areas. If in doubt please use bottled drinking water.
- Petrol and diesel are generally available but increases in price as one travels further north.
- The Mozambican currency, the Metical, fluctuates daily with the strength of the US Dollar. Shop around for the best exchange rate.
- SA Rands are accepted at all the resorts (carry some Metical for purchases at local markets and tollgates). Credit cards are only accepted at a few resorts and dealers. The best is to carry cash (watch out for petty crime).
- There are tollgates at The Moamba Toll Plaza, Maputo Plaza and the Xai-Xai bridge.
- Arrange with your cell phone service provider for a roaming facility as cell phone coverage is updated regularly in Mozambique.
